RE: Architectural Review Commission Trophy Award

Dear Mr. Friedman:

Congratulations! The Glen Ellyn Architectural Review Commission has selected Crowne Plaza as the winner of the Architectural Review Commission Traveling Trophy Award for commercial, institutional and multifamily development projects completed between July 2008 and September 2009.

Village Clerk

Andrea Draths

Steve Jones

The Traveling Trophy Award is presented each year to a project that promotes a coherent and unique community identity. The award acknowledges excellence in architecture that achieves the aesthetic objectives of the Village of Glen Ellyn and is intended to recognize and congratulate the property owner, builders, and architects for the extra effort all have given to provide the Village with an outstanding asset.

The Village Board and Chairman of the Architectural Review Commission would like to present the Traveling Trophy Award to Crowne Plaza at the Village Board meeting on October 26, 2009 at 8:00 p.m. at the Glen Ellyn Civic Center.

The Traveling Trophy may be displayed at Crowne Plaza until a new winner is selected next year. You will also receive a certificate for you to keep. Please share our accolades with the rest of your development team.
